# January

Perhaps the world appears  
a little cold to you.  
How could we enkindle  
the world with kindness?

# October

How beautiful the leaves grow old,  
but are they not full of light and  
colour in their last days?

A whimsical winter forest scene. In the center, a deer with large antlers stands on a snow-covered log. The forest is filled with snow-laden trees and bushes. Numerous fireflies are scattered throughout the scene, their glowing light contrasting with the cool blue tones of the winter night. Snowflakes are gently falling from the sky. The overall mood is magical and serene.

# December

The fireflies are dancing the snow away.  
What has made you feel like dancing this year?

This beautifully designed calendar by Ubuntopia is about the colourful change of seasons and the circle of life's special moments. It does not only offer you moments and days to remember; this calendar will inspire you to create new memories, grant you a positive mindset, and shape new perspectives.

Have you ever noticed that your biggest moments of change derive from someone asking you a question that reaches your heart? At instant, you feel the overwhelmingly positive energy draw near you from the universe. Suddenly everything makes a little more sense. And then, promptly, you know what to do! That's exactly how this calendar is meant to make you feel!

Ubuntopia is all about awakening and reviving the spirit of humanity and togetherness around the world. We love and celebrate the diversity of culture, nature, heritage, and identity! We are passionate storytellers with a message of shared wisdom and togetherness. We narrate these amazing stories through books, theatre shows, movies, games, merchandise, and more.

There are stories longing to be told...
